If you have come to this event before, WE WILL NOT BE HAVING A FRIDAY NIGHT EVALUATION. This event has gotten to large and we need to start games Friday night. Please answer the above questions to the best of your ability. We use this to put together teams. It is always our goal to make the teams as even as possible. **GOALIES - This position is the most important. Please DO NOT sign your players up if he/she is not a HIGH B or A better player. We will contact team coaches to double check this position. Goalie spots are not guaranteed. You will be refunded if we find out you have not been honest.**

We want everyone to enjoy themselves so we get good word of mouth advertising and you come back again. TRYOUTS are stressful!!!! We put this event together after I noticed my son stressing out during an important tryout where he knew nobody else. This event allows your kid to experience this stress in a fun environment so when the tryout comes in the future, they will hopefully be less stressed as they have already experienced this type of structure before. We will NOT make any promises that your player will be on the same team as a friend. We do make exceptions, Please contact me for more information.
